

"Mymerma"

by

Dr. Claus

Dedicated to: Stephen and Jemma

**Mymerma is a bird
Who sings
Tweet Tweet a little
Tweet Too Too
She has feathers
On her wings
Tweet Tweet a little
Tweet Too Too**

**This big bird
Will sing her song
Tweet Tweet a little
Tweet Too Too
She love you to
sing along
Tweet Tweet a little
Tweet Too Too**

**Mymerma has
A little gift
Tweet Tweet a little
Tweet Too Too
Her two legs
She loves to lift
Tweet Tweet a little
Tweet Too Too**

**Watch her feet
Go up and down
Tweet Tweet a little
Tweet Too Too
With a smile
Or a frown
Tweet Tweet a little
Tweet Too Too**

**Each foot taps
Making a sound
Tweet Tweet a little
Tweet Too Too
This girl wiggles
all around
Tweet Tweet a little
Tweet Too Too**

**Next her hands
Will touch her nose
Tweet Tweet a little
Tweet Too Too
She bends down
To touch her toes
Tweet Tweet a little
Tweet Too Too**

**Mymerma jumps
Into the air
Tweet Tweet a little
Tweet Too Too
Floats around
Without a care
Tweet Tweet a little
Tweet Too Too**

**All the time
She moves her feet
Tweet Tweet a little
Tweet Too Too
And dances
To a happy beat
Tweet Tweet a little
Tweet Too Too**

**Mymerma likes to
dance and sing
Tweet Tweet a little
Tweet Too Too
And will dance
To anything
Tweet Tweet a little
Tweet Too Too**

**Mymerma learned
To dance ballet
Tweet Tweet a little
Tweet Too Too
She would
Practice everyday
Tweet Tweet a little
Tweet Too Too**

**Her teacher taught
Her many things
Tweet Tweet a little
Tweet Too Too
But best of all
To dance and sing
Tweet Tweet a little
Tweet Too Too**

**She will sing
Most Anywhere
Tweet Tweet a little
Tweet Too Too
Up in a tree
Or on a chair
Tweet Tweet a little
Tweet Too Too**
